

Singers Play Kaceys At Fairgrounds

The crack Singer Baseball team of Bridgeport will be the attraction at the fair ground tomorrow. The Singers have not been defeated this season only by the Bridgeport Eastern League team and that game went eleven innings to decide it. They have played and defeated all the crack semi-pro teams in the state and have won nine consecutive sames. Their battery, Pete Wiison and Jack Moshier have had very flattering offers to work for state league teams out turned them down as they hold very good positions with the Singer Manifacturing Co.

The McCarthys Lack and Lim first

The McCarthya Jack and Jim, first and second base respectively are also star players and are also wanted by league teams. Creary, left field, has been seen here before, with the Rosebuds last seeson is a very classy field-er. George Hayes is down on the line-up as a sub but probably he will get in the lineau axainst his old feam mates. Hayes played second base for the local boys last year. For six innings the game to quarter cent. In provisions the outcome was unchanged to 15c higher.

With the South Dakota harvest still three weeks off, the chances for injury on a large scale to the wheat crop in the northwest were regarded with apprehension by many traders, especially as curtant reports indicated that the pest was also confined to South Dakota. Continued to the deciding game of the series. For six innings the game was a pitchers' battle between Davis and Leonard, but in the seventh the former weakened, and was driven from the box. Score:

AGAIN WITH TAFTVILLE After the terrible slaughter of last Saturday at the hands of the South Man-chester team, the Taftville team will try to show the fans that they can play a better brand of baseball than was shown in their last home game. They will hook up with Tom McDermott's Putnam Braves, from the game shown by these two teams at Wildwood Park last Sun are pretty evenly matched, and no doub

the fans will be repaid for the poor ex-

The Braves will appear with the usual strong lineup, consisting of the follow-ing men: Hughes 88, Duggan 2b, Daley ef, Collins 3b, Powers 1b, DeForrest rf, Lonergan if, Reddy c, Mullowned p, and this lineup needs no introduction to the fans as it is a real ball team, no doubt the best in this section of the state. Manager Benoit will send the following men after the Braves, and says they will trim them. The dependable Mike Morin will shoot them over, and Muldoon. of the American Thread team of Willi-mantic, will be at the receiving end. Mills will probably be back on first if his infured hand is in condition. Paradis on second, DeCelles short stop, Dugas third base and the outfield will be picked from Jim and Jack Murphy, Caron and Gley, Chance, Germaine and Eddle Muronly are a dependable trio of substitutes in case of need. The Taffville boys seem to have lost their stage fright of last Saturday, and will start all over, with more courage as they are easily in the class with any team in the state and to prove this, Manager Benoit is planning to bring the South Manchester team back here for another game, and says he can trim them. Time will tell. The Nutmegs of New Haven appear here on next Saturday and then the Eim City Giants, Fisk Red Tops, New Departure come in the order named, which shows that the Taftville manager is picking the best that money can secure, in order that the fans can see some real ball teams, instead of teams that they can defeat easily. The team has the hardes and best schedule of any team in the state, and when another star twirler, whom "Jake" is after, has been landed, the team will be all set to give the best in the state a go. Turner, the "sorrel topped" catcher will be with the team ofter today's game and the fans will see the finest receiver that has donned a mask in action. Besides the big game mass in action.

Saturday, Manager Benoit is making arrangements to have the returns of the Dempsey-Carpentier fight announced at
